FAQ

Avocado Restaurant was founded by a first-generation, millennial couple who wanted to bring healthy food options to travelers and people on-the-go. With parents from foreign countries, and careers that demanded constant travel, our CEOs quickly discovered how hard it was to eat a balanced diet while tackling their life journeys and day-to-day demands, and so, Avocado was created. Healthy Food, Fast because life doesn't stop.

Frequently Asked Questions

Q: Do you all deliver drinks and smoothies too?

A: Yes. All of our drinks, smoothies and juices come pick-up and delivery-ready, wrapped in saran wrap.

Q: Are there vegan options on your menu?

A: Yes. Our Teriyaki Bowl has a vegan chik'n option. Other additions like cheese and milk can be substituted for an available vegan option.

Q: I don't see a kids menu on your website, are your meals child friendly?

A: We don't currently have any kids options or a kids menu, BUT that's not to say that we won't have one in the very near future :)
